

BIATHLON AUSTRALIA TRAVEL AND CONSENT FORM

Biathlon Australia Limited (BA) athletes and Authorised Officers may travel extensively for both training and competition. BA endeavours to source accommodation where athletes and / or authorised officers of the same gender will share accommodation. On occasion, availability and / or style of accommodation may be restricted and as such, it may not be practicably possible for same gender share arrangements. In such circumstances, BA may request athletes and authorised officers to stay in mixed gender accommodation (please note: mixed genders will not be allocated a shared bedroom).

Participants under 18 years of age

BA will arrange, where possible for persons under the age of 18, to:

1. travel / be transported with a group of team members; share accommodation with a group of team members who are of the same gender and similar age.

At times, this may not be practicably possible and as such, BA seeks parent/guardian approval in writing for participants under 18yrs of age to:

2. travel to / from a specific sporting location with only one authorised officer over the age of 18; and
3. share accommodation with team member(s) / authorised officers who may be over the age of 18.
